# FAQs

## ➤ Do you provide transport?

Yes, we operate two minibuses to transport our members to and from The Chandler Club daily. We also provide transport for the activities and experiences.

## ➤ Are you able to support with personal care?

We are a social club, not a day care facility and most of our helpers are volunteers. Unfortunately we can therefore not support personal care.

## ➤ What activities do you provide?

We offer a variety of regularly scheduled activities such as Zumba, Bridge and Bingo. Other activities include flower arranging, a computer club, seasonal activities and much more.

## ➤ What are the weekly outings?

Every Wednesday afternoon, we offer all members the opportunity to visit garden centres or supermarkets. Our members get to enjoy a lovely lunch before heading out, and we make sure they return home comfortably by minibus from their destination.

## ➤ What are the special experiences?

In the past, we've had some truly special moments, like enjoying afternoon tea at Coworth Park and Ascot Racecourse, and even catching a glimpse of the royal party as they got into their carriages at Windsor Great Park during Royal Ascot. Our Chandler Club team is putting together a fantastic lineup of new experiences for this year!

## ➤ How much does it cost?

Membership is just £10 per year. The two-course lunch and refreshments are £7 per day. If you're travelling by minibus, we ask for a small £3 contribution each day to help cover the running costs.
